INCLEMENT WEATHER

In the event we need to close the studio due to poor weather conditions, we will change the message on the office phone, update the Accent facebook page and add our name to the WFMZ Website. You can sign up for text notifications through WFMZ. Please refer to one of the above when weather conditions are questionable.

One inclement weather day is built into the schedule for each day of the week. If we need to close more than that, we will schedule make up classes accordingly.

GOOD LUCK!

To our competition dancers as they take the stage at their first competition the weekend of February 4th!

Email the studio if you would like the Livestream information!
