Here are a few things to remember the first few weeks...

- For some classes, the first few weeks will be **reviewing what we learned last year**, so the dancers can focus, and remember the concepts.
- A good part of the first few classes will be spent on **classroom routine and etiquette**.
- **Please have dancers use the restroom before class.**
- Provide dancers with a healthy snack prior to the start of class.
- **Label ALL shoes and accessories.**
- The first few weeks will be a little hectic as everyone gets settled. Please be mindful of dancers trying to get to class.
- **Parents/Guardians, please be prompt in your drop off and pick up.**
- Our littlest dancers may be anxious or have tears the first few weeks. This is normal. The teachers are trained to handle this. **The best way to ensure success is to reassure your dancer that he or she will have fun.** Parents, do NOT enter the classroom.

If you have any questions or concerns, please feel free to stop by the office or email the studio. We are here to make this a happy and rewarding experience!

From their first steps...

To their final bow.

They will have memories to last a lifetime!
