Accent School of Dance

Where friendships begin. confidence grows. and dance friends become family.

Welcome to Season 31 at Accent School of Dance!

It is truly an honor to be part of your dancer's journey and to provide them with a high-quality dance education. As we begin our 31st season, we are filled with gratitude for the generations of dancers and families who have made Accent School of Dance their home.

For over three decades, we have been inspired by the passion, dedication, and growth we see in our dancers each day. Dance offers countless benefits—**building confidence, discipline, creativity, and resilience**. Along the way, your dancer will develop valuable life skills, create lasting friendships, and make unforgettable memories.

At Accent, we believe that dance is about more than just learning steps—it's about becoming part of a family. We encourage you to be an active part of this exciting journey! Get involved in our studio community, follow us on social media, and most importantly, take time to enjoy this experience alongside your dancer. As we settle into classes, we would like to take a moment to review a few important studio policies and etiquette guidelines to help ensure a positive and successful season for everyone.

Thank you for choosing Accent School of Dance.
We are excited to celebrate Season 31 with you and look forward to making it our best season yet!

CLASS OBSERVATION

To help create a focused and supportive environment, we kindly ask that only one parent or guardian accompany dancers ages 7 and under.

We've found that our younger dancers thrive when there are fewer distractions in the hallway.

If your dancer feels comfortable entering the studio on their own, we strongly encourage and celebrate that independence!

BREAKS BETWEEN CLASSES

Dancers are welcome to stay in the studio during breaks that are 45 minutes or less.

To ensure a positive environment for everyone:

- If using an electronic device or listening to music, please bring and use headphones.
- If having a snack or quick dinner, be respectful of the space and clean up after yourself.

We appreciate your cooperation. If these guidelines are not followed, dancers may not be permitted to remain in the studio during breaks.
